

MUHAMMAD IHTIRAM

Full Stack Developer

+92-3140076077 Islamabad, Pakistan mihtiram2006@gmail.com www.mihtiram.dev

OBJECTIVE

I'm a Full Stack Developer with 3 years of experience working on various projects. I have used React.js, Next.js, Node.js, Express.js, and MongoDB. All of my created projects were built from scratch and deployed. I love making web apps look pretty with animations and transitions. Most importantly, my main goal is to make the application as more efficient as possible so that it brings maximum value to the end-users.
